After the resolutions were proposed, Mr. Gibson remarked that he believed every artist in Rome would agree with him that Mr. Crawford was a man of very great talent in his art. He said that he had watched his progress with great interest for many years, and considered his talents as of the highest order. That he had left many fine works in his studio, which would have done honor to any man, and that he would have been an

nonor to any country.

The substance of Mr. G.'s remaining remarks is imsodied in a note which he kindly wrote out next day, of which the following is a copy:

Dear Mr. Terray: Among the many fine works which our late much-lamented friend Crawford has left to his country I think his model of the Indian is his best work. After his death I began to think what compliment his friends and countrymen could pay to his memory, and it struck me that his model of the Indian might be cast in because and placed in some fine public hall where the people could see it close to the eye, there to stand as a monument to the author, an American sculptor of great original genius, who distinguished himself at Rome for somany years.

many years.

I remain, dear Mr. Terry, truly yours,

WE PUBLISH TO-DAY Parton's Life of Aaro

TE PUBLISH TO-DAY Parton's Life of Auron Purr, by J. Parton, tvol., 700 pages crown octavo, illustrated by engravings on steel and wood. Price \$3.75.

Perfor's Life of Borr is in every respect an original and peculiar work, of absorbing interest, and pomessing peculiar claims to the attention of Americans.

The author claims that in this volume the story of Aaron Burr's strange, eventth in its is told for the fast time, and is derived; or great part from the personal reminisciences of his surviving friends, connex.

The peculiar, romantic, and eventful life of Aaron Burr has afforded material for one of the most interesting and fascinating biographics gor written. While incidental to the surject, the rise and progress of the great democratic party of the United States is fully recorded.

The volume is printed as superfine paper, and illustrated with steel portraits of Burr and his daughter Theodocka, and several wood ongravings.

Cousin William, by Theodore Hock, one volume, 12mo, price \$1.

TO THE CITIZENS OF WASHINGTON. Wolfe's Schiedam Aromatic Schnapps.

The proprietor begs leave to call the attention of strangers and the citizens of Washington to a very superior article of Holland gin, which he introduced to the American public under the name of Wolfe's Schie-

an aronance to the American public under the name of Wolfe's Schie-dam Aronance Schiapps.

This gin is manufactured by the proprietor exclusively at his distil-ery in Schiedam, Holland. It is made from the best burley that can be procured in Europe at any cost, and disversed and medicated, not by the common harsh berry, but by the most choice botanical variety o

ing in the cortisat and menomial properties any alcoholic beverage heretofore known.

The proprietor has submitted it to nearly the whole medical faculty of the United States, and has received answers from about four thousand physicians and chemists, who endorse it, over their signatures, as a most desirable addition to the materia medica.

Foreons who purchase should be careful to get the genuine article,

Persons who purchase shound so be counterfeits and imitations: as the whole country is fleeded with counterfeits and imitations. Put up in quart and pint bottles, in cases of one dozen each, and for sale by all the respectable druggists and grocers in the United States.
